

# St Clare's Catholic Primary School

## Newsletter 26/01/2018

Dear Parents/Carers,

Thank you for your support with moving towards a paper free, cash free systems within school. This has transformed the situation for Mrs Kujawinski and Miss Singleton in the school office, so that they can complete lots of other important tasks. Please make sure you read our fortnightly school newsletters, so that you are aware of what is happening within school.

*AB Ryder*

### 'Speak out, stay safe'

Last Monday the children received a presentation from Kristy at the NSPCC.

The 'Speak Out, Stay Safe' programme reminded

children about how to keep themselves safe. The children listened carefully

and asked some great questions.

During the first week in February the children will be learning about how to keep themselves safe online.

### Mini Vinnies

Miss Kelly is now leading our wonderful group of Mini Vinnies, who as usual are very enthusiastic about planning projects within school. By the end of the meeting they had shared lots of ideas. We are looking forward to hearing about their initiatives.

Lost items- Please label all items of school uniform and school PE kit. This week lost items were found with no names inside.

## Lache Neighbourhood & Partnership Manager (Job Number: WD 00001D)

**Job Type -Temporary**

**Hours Per Week-24**

**Address of job-Lache Community Centre (The Venue), Hawthorn Road, Lache, Chester CH4 8HX**

## Amasing

On March 12th pupils in Class Three will be performing in a music concert at the Storyhouse in Chester. Tickets are selling fast, we have some available at the school office. Once these are sold families will have to purchase tickets from the theatre box office. The children are very excited about this opportunity.

## My Maths

Recently we have noticed that the children who are completing tasks set by class teachers are doing really well with their Maths work in lessons. Sadly, we still have a group of pupils who are not routinely completing their My Maths work.

Please can you support your children in accessing this valuable resource. Some children are using 'homework club' as a way of doing the activities on My Maths.

Next week a group of talented mathematicians are attending a Maths Workshop, where they will have great fun further developing their MATHS skills.

## Indoor Athletics

Next Thursday twenty of our Year Five and Six pupils will be participating in an indoor athletics meeting. They will have the opportunity to compete in a wide range of activities which I am sure they will enjoy.
